

CAPTURE YOUR GROUP'S MEMORIES TOGETHER

CREATING AN AMAZING KEEPSAKE IS EASY WITH A **WEBBOOK**

Everyone loves a memory book for celebrating an important achievement, but it can be hard for busy students and parents to find the time. WeBooks make it simple: Each person in the group uploads their favorite stories and photos. We design and produce the book. You receive a gorgeous memento that will last a lifetime.

EVERY WEBBOOK FEATURES:

- Premium hardcover book with dust jacket
- High-quality paper with full color printing
- Any length up to 300 pages
- Professionally designed and edited

WHY MAKE A WEBBOOK?

Everyone can participate. With the group working together, no one has to do all the work and no one is left out.

Students can do it. Older group members can upload the content themselves, creating a book that reflects who they are and that doesn't require a lot of time from parents.

The books look great. WeBooks are professionally designed and edited, making each book truly special.

No inventory or money to track. Parents (and grandparents!) order directly, so no one has a garage full of boxes, orders to track or money to collect.

No end-of-season rush to collect photos. Let everyone add their favorite photos and memories throughout the year, and you won't have to sort through hundreds of photos on your own.

No minimum orders. Books are printed as people order them, so you don't have to estimate how many to get.

HOW DOES IT WORK?

1. Start a project on Weeva.com.
2. We'll give you instructions and a secure, private link to your project to send out to participants.
3. Everyone uploads their own photos, stories and comments, throughout the year.
4. Weeva's professional designers and editors put it all together into a beautiful book.
5. Send out a link for everyone to order as many copies as they like.

PRO TIP: Have WeBook parties with a couple of hours set aside for group members to capture their favorite stories and pictures together using a few laptops or tablets or even phones. It's a fun and fast way to collect stories!

WHAT CAN GO IN A WEBBOOK?

- Favorite Photos
- Thank you letters to or from music directors and volunteers
- Messages from group members to one another
- Stories and inside jokes
- Competition results and awards
- Rituals and traditions
